CIVIL DIVISION

CLARK COUNTY, ARKANSAS ex rel., HONORABLE TROY TUCKER, in his official capacity as County Judge of Clark County, Arkansas, individually and o/b/o a class of similarly situated parties, PLAINTIFF

V.

CASE NO. 10 CV-17-28

AT&T CORP. and SOUTHWESTERN BELL d/b/a AT&T ARKANSAS, DEFENDANT / THIRD-PARTY PLAINTIFF

CITY OF ARKADDELPHIA, ARKANSAS and CITY OF GURDON, ARKANSAS, THIRD-PARTY DEFENDANTS

NOTICE OF CLASS

CERTIFICATION

You are receiving this notice because you may be a member of a class action lawsuit. The case involves fees that Arkansas counties were charged by or paid to AT&T in connection with telephone service. In particular, Plaintiff Clark County alleges that AT&T has no basis to collect 911, Arkansas Universal Service, and/or Special Municipal fees from Arkansas counties. Plaintiff seeks a refund of all such fees paid by Arkansas counties, as well as declaratory and injunctive relief preventing AT&T from billing such fees to Arkansas counties.

AT&T denies that it inappropriately charged the fees and denies that Plaintiff is entitled to any relief. AT&T also asserts that some other Arkansas counties are party to service contracts that require them to arbitrate any disputes with AT&T.

On August 10, 2018, the Clark County Circuit Court certified a class action consisting of the following class members:

All Arkansas counties which have been charged or have paid Defendant's 911, or Arkansas Universal Service or Special municipal charge fees or related charges from the five years immediately prior to the filing of this lawsuit up through the date of the entry of judgment in this case (hereinafter "Class")

You are not required to attend any proceedings in the case, but you may attend if you wish. You may enter an appearance and participate in the case in person or through counsel if you desire. If you would like additional information about any future hearings, proceedings, or trial date that is scheduled, you may obtain that information by contacting Class Counsel.
